Accountability

BP 0500 (a)

The Governing Board recognizes its responsibility to ensure accountability to the public for the performance of district schools. The Board shall regularly review the effectiveness of the district's programs, personnel, and fiscal operations, with a focus on the district's effectiveness in improving student achievement. The Board shall establish appropriate processes and measures to monitor results and to evaluate progress toward accomplishing the district's vision and goals.

(cf. 6190 - Evaluation of the Instructional Program)
(cf. 9400 - Board Self-Evaluation)

Indicators of district progress in improving student achievement shall include, but are not limited to, the state Academic Performance Index (API) and measures of "adequate yearly progress" (AYP) required under the federal accountability system.

(cf. 6162.5 - Student Assessment)
(cf. 6162.51 State Academic Achievement Tests)
(cf. 6162.52 - High School Exit Examination)

Alternative schools serving high-risk student populations, including continuation high schools, opportunity schools, and community day schools, shall be subject to an alternative accountability system established by the Superintendent of Public Instruction. (Education Code 52052)

Evaluation results may be used as a basis for revising district or school goals, updating the LCAP or other comprehensive plans, identifying and developing strategies to address disparities in achievement among student subgroups, implementing programmatic changes, determining the need for additional support or assistance, awarding incentives or rewards, and establishing other performance-based consequences.
