**7.d. Provisional Internship Permits (PIPs) (v) (Amended 02/06/19)**

**Type:**

Action

**Quick Summary/Abstract:**

The Board will consider approval of submitting the Provisional Internship Permit (PIP) application(s).

**Description:**

The Provisional Internship Permit (PIP) was created in response to the phasing out of emergency permits and became effective July 1, 2005. The PIP allows school districts and other employing agencies to fill an immediate staffing need by hiring an individual who has not yet met the subject matter competence requirement needed to enter an internship program. Prior to requesting a PIP, the employing agency must verify that a diligent search has been made, and a fully-credentialed teacher cannot be found.

The following is a list of vacant positions and the applicant selected to fill the position:

SDC Teacher @ BVS – Patrick McFarlane

~~This is a place holder in anticipation of the need to approve a Provisional Internship Permit to fill teacher shortages.~~

**Recommended Motion:**
